Antonio Esteban,

Presidente de "Comité de P&P de la Federación Canaria de Golf",

Genolier, 16th September 2017

Dear Mr Esteban,

As President of IPPA and on behalf of the Board I am very honoured to confirm with great pleasure that at our recent meeting in Koudum (Holland), IPPA approved the organisation of the "IPPA World P&P Pairs Championship" by Golf Las Palmeras, in the Canary Islands, 24-25 March 2018.

Pitch and Putt is developing strongly in many different countries and while it is clearly a form of golf, it is also different. Furthermore, we are endeavouring to bring some cohesion to the development of Pitch and Putt as a competitive sport by exchanging ideas and by offering clear definitions and practical suggestions.

We look forward to receiving your flyer, including the "Rules and conditions" and information on the accommodation to publish on the IPPA site and to send to all IPPA Members and to all Golf/P&P Federations or Associations in the world.

Many thanks for your kind collaboration to help with your experience in the development of international Pitch & Putt. I remain at your disposal for any further information, so please do not hesitate to contact me:

Best Regards,

Carlo Farioli, President IPPA
